Project Name	Creating a Blog using Wordpress Platform
Maximum Marks	2 Marks

Problem Statement:

Create a dynamic and user-friendly blog using the WordPress platform. Our goal is to design an appealing and responsive website that not only showcases compelling content but also offers a seamless user experience. We will customize the theme, configure essential plugins, optimize for SEO, and implement a user-friendly content management system, enabling effortless content creation and management. This WordPress blog will serve as a platform to share valuable information, engage with the audience, and establish an online presence effectively.
